

Bent River Location, Contact Information and Driving Directions

Bent River Machine Is Located In Historic Clarkdale, Arizona

Bent River Machine's 10,000 square foot facility was built in 1997. We are located in the terrific rural setting of Clarkdale, Az. We are right next door to the red rocks of Sedona and immediately below the "ghost town" of Jerome. Our next door neighbor is the Verde Canyon Railroad Scenic Excursion Train.

Driving Directions to Bent River Machine

Relax and enjoy the scenic drive on your way to visit us!!

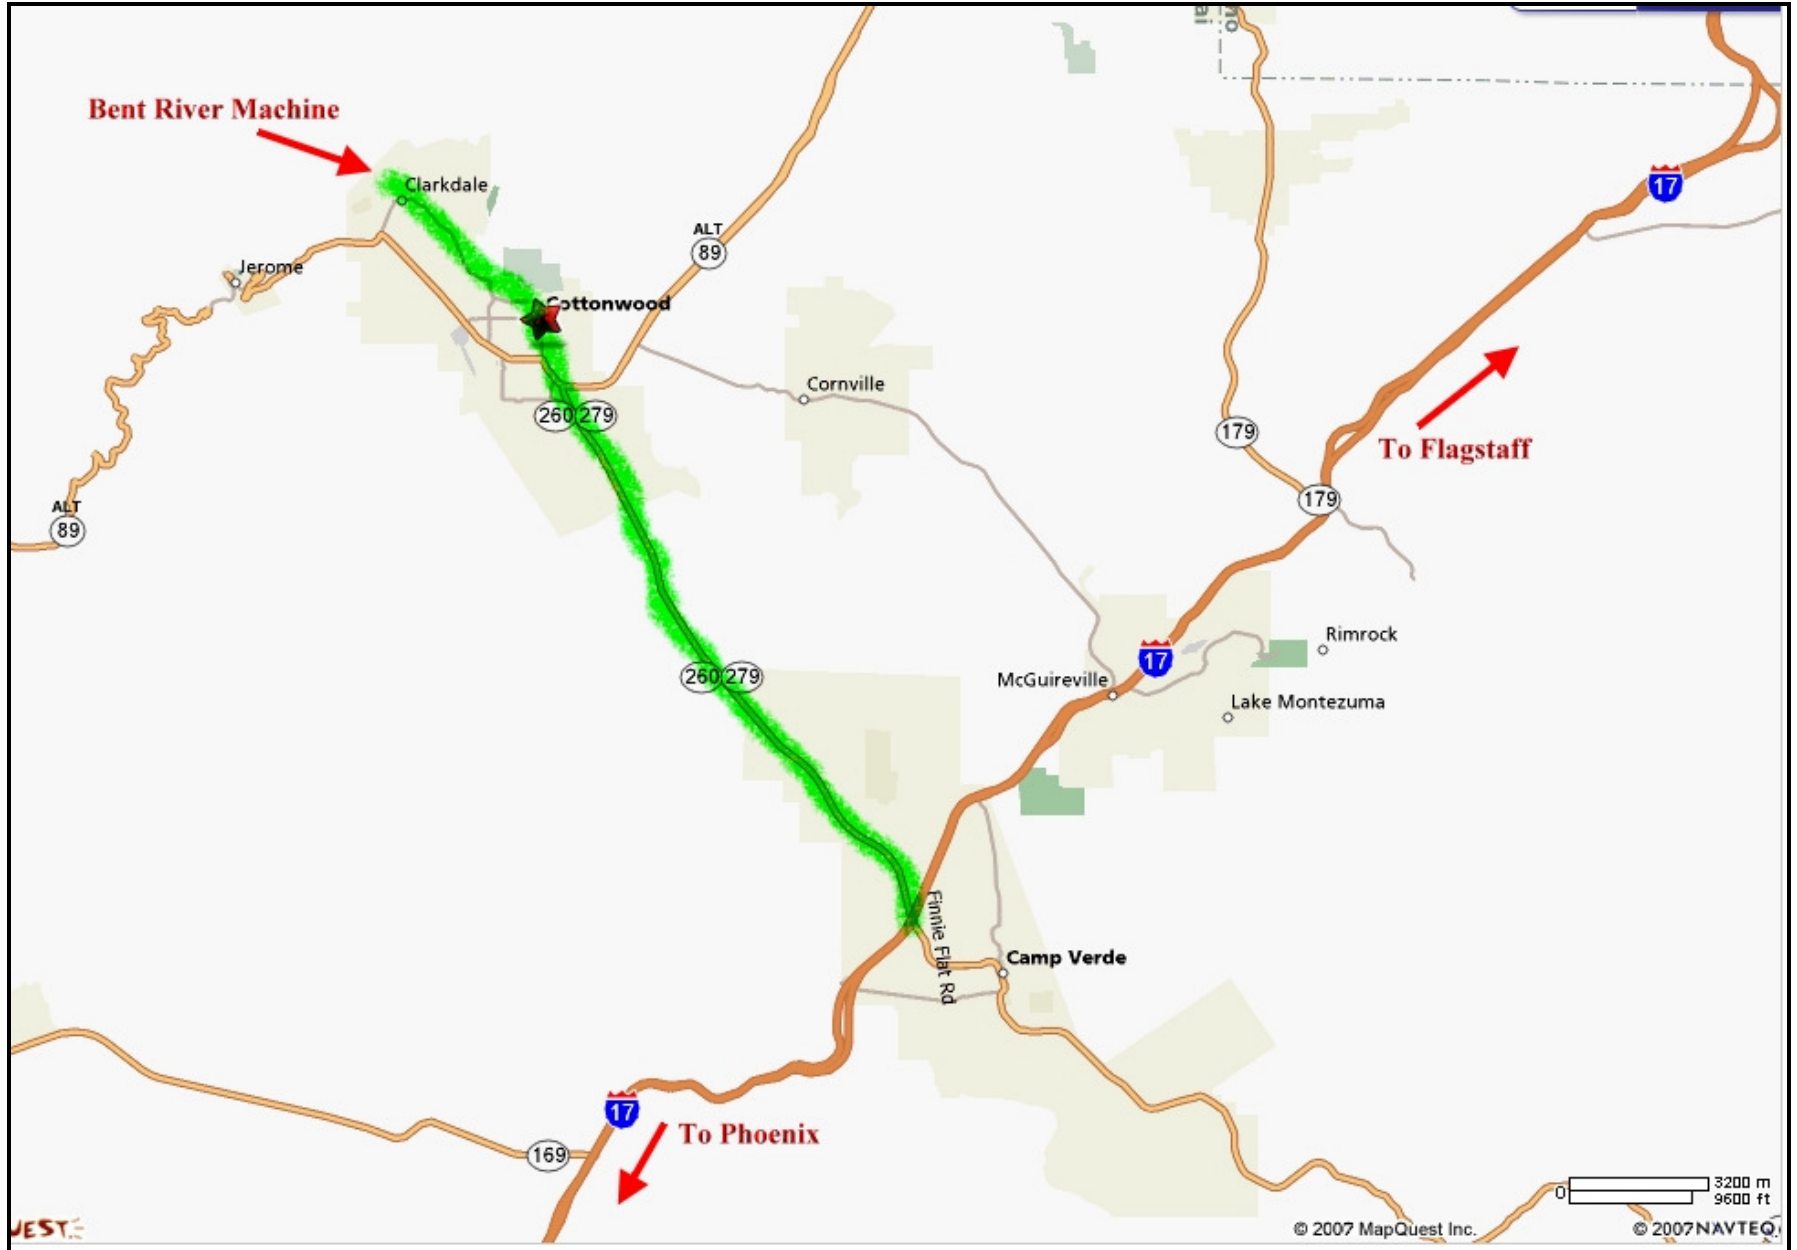

Take Interstate 17 North from the Phoenix area or take Interstate 17 South from the Flagstaff area.

Now follow these directions:

- Take Interstate Highway: I-17 to Camp Verde.
- Exit at Camp Verde and follow the signs to Cottonwood on Hwy 260 (approximately 16 miles)
- Go Straight at the stop light in Cottonwood onto Hwy 89A Historic (Main St.) 89A goes left and **89A Historic** goes to Old Town Cottonwood
The 89A Historic road signs are brown.
- Follow **89A Historic** / Main St. through Cottonwood.
- Main St. winds through Old Town Cottonwood and then becomes Broadway
- Follow Broadway into Clarkdale
- When you come to Clarkdale, instead of going up the hill to the Old Town Clarkdale area go straight through the intersection toward the Verde Canyon Railroad.
- Go past the Verde Canyon Railroad - Train Depot.
- Just beyond the Train Depot, the main road turns slightly to the right. You should turn left (more like straight ahead) across the railroad track onto the gravel road called Luke Lane).
- Continue up the gravel road until it Y's at Miller Rd and Rio Torcido.
Rio Torcido is a slight right at the Y and Miller is straight.
- Follow the gravel road 951 Rio Torcido a few hundred yards to Bent River Machine.
